Thinking about mapping

Setup (ugh)

BREAK

If setup works, I'll walk you through some undocumented notebooks

Announcements

Fill out the [Nov. 20 Study Hall dinner form](#) by Wednesday!

No homework; work on your final project

Mapping

can get really hard and complex

I want to map Berkeley 311 service calls

Setup

Uninstall JupyterLab

Install old version of JupyterLab

Unfortunately, we need to reinstall an older version of JupyterLab to use a particular mapping library.

Setup

Uninstall JupyterLab

Install old version of JupyterLab

After we install our mapping library, we CAN update JupyterLab to the latest version and the plugin should still work.
