Presentations grading rubric (10 pts each)

Tell us about your project. Why did you choose that topic?

Share your notebooks and show us the methods you used on your analysis.

Tell us about the challenges you've faced with this project.

What's been the most fun or interesting part of making this project?

Be ready with questions about what you'd like to get some feedback for from the group.

Presentations

Break

Meet back in 15 minutes.

Presentations

Thank you!

Please help clean up: close windows, return tables, etc.
